ENVIRONMENTAL CONDITION NO. 32

Prior to construction, Mountain Valley shall file with the Secretary documentation that The Nature Conservancy (TNC) Property Crossing Plan was provided to the TNC for review and comment. *(section 4.8.2.4)*

Implementation Plan for Environmental Condition No. 32

October 31, 2017 Submission

Documentation that the TNC Property Crossing Plan was provided to The Nature Conservancy for review and comment is included in Attachment IP-32.

February 2, 2018 Supplement

Attachment IP-32 includes (i) documentation that the TNC Property Crossing Plan was sent to The Nature Conservancy for review and comment and (ii) a copy of the crossing plan sent to The Nature Conservancy.

Judy –

Mountain Valley is sending you the Crossing Plan for the pipeline for your review and comment. It will be sent by mail on a CD as it is too large to email. This plan is no different from the original plan that was filed on the FERC docket on April 21, 2016 except that the mileposts have changed slightly. Let me know if you have any questions upon receiving it. Thanks.

Jena S. Mier, PWS
Environmental Services Manager
