Re: Mountain Valley Pipeline, LLC (MVP)
Combined Stormwater Management (SWM) and Erosion & Sediment Control (ESC)
Plans Modification Approvals

Dear Mr. Chalmers:

The Department of Environmental Quality (DEQ) hereby approves the following modifications to the Combined Stormwater Management (SWM) and Erosion & Sediment Control (ESC) Plans:

- MVP-17.1B Temporary Open Trench Crossing at Waterbar, Sheet N/A, Sign/Seal 8/16/21.
- MVP-FR292 Ford and S-D14, Sheets 14.28 & 14.28A PC Plans, Sign/Seal 5/5/21, 14.70 & 14.70A ESC and PC Plans, Sign/Seal 6/23/21.

No additional modifications, updates or additions may be made to the approved Plans without obtaining prior approval from DEQ. Additionally, approval of these modifications does not relieve the owner and/or operator of complying with all other federal, state, or local laws and regulations. Please ensure that copies of this approval letter, the approved plan modification, and the corresponding MVP Program Administrator approval letter are made available to the public, inspection staff and field staff in accordance with the DEQ-approved MVP Annual Standards and Specifications.

As provided by Rule 2A:2 of the Supreme Court of Virginia, you have thirty (30) days from the date you received this decision within which to appeal this decision by filing a notice of appeal in accordance with the Rules of the Supreme Court of Virginia with the Director, Virginia Department of Environmental Quality.

It is the responsibility of the owner and/or operator to ensure that the project is constructed in accordance with the approved Plans and accompanying specifications. Upon completion of the project, the owner and/or operator will be required to submit construction record drawings for all permanent stormwater management facilities (i.e., post-development best management practices) constructed in accordance with the approved Plans.

Please contact Mr. Larry Gavan at (804) 698-4040 or Larry.Gavan@deq.virginia.gov if you have any questions about this letter.

Sincerely,

Andrew J. Hammond II
Director of Water Permits
