RE: Mountain Valley Pipeline LLC
Revised Historic Property Treatment Plans for Three Historic Properties in West Virginia
FERC Docket Nos. CP16-10-000
FR: 15-67-MULTI-55

Dear Mr. Martin:

We received the three *revised* Historic Property Treatment Plans, which your office prepared for the aforementioned undertaking. As required by Section 106 of the National Historic Preservation Act of 1966, as amended, and its implementing regulations, U.S. 36 CFR § 800: "Protection of Historic Properties," we submit our comments.

We are amenable to and accept the submitted treatment plans as mitigation to comply with the "Programmatic Agreement Among the Federal Energy Regulatory Commission, U.S. Department of the Interior Bureau of Land Management and National Park Service, U.S. Department of Agriculture Forest Service, U.S. Army Corps of Engineers, The State Historic Preservation Offices for West Virginia and Virginia, and the Advisory Council on Historic Preservation Regarding the Mountain Valley Project (FERC Docket No. CP16-10-000)." Once documentation is available as described in the submitted plans, we will provide additional comments.

We appreciate the opportunity to be of service. *If you have questions regarding our comments or the Section 106 process, please contact Mitchell K. Schaefer, Structural Historian, at (304) 558-0240.*

Sincerely,

Susan M. Pierce
Deputy State Historic Preservation Officer
