Re: Mountain Valley Pipeline, LLC
Docket No. CP16-10-000
Supplemental Materials

Dear Ms. Bose:

On October 23, 2015, Mountain Valley Pipeline, LLC (“Mountain Valley”) filed a certificate application with the Federal Energy Regulatory Commission (“Commission”) for the Mountain Valley Pipeline Project in the above-identified docket. Mountain Valley herein submits supplemental materials.

Mountain Valley submitted the revised Phase IB Archaeological Survey Report for Pittsylvania County directly to the Virginia Department of Historic Resources, the Commission, and the Commission’s third-party contractor in January 2016.¹ Mountain Valley inadvertently omitted filing the report on the docket at that time. Mountain Valley submits the report with this filing.

The attached report includes privileged information. The report is labeled “Contains Privileged Information – Do Not Release.” Mountain Valley requests that, pursuant to 18 C.F.R. § 388.112, the Commission treat the privileged information as non-public. The person to be contacted regarding the request to treat these materials as non-public is Paul Diehl, (412) 395-5540 or pdiehl@eqt.com.

If you have any questions, please do not hesitate to contact me at (412) 553-5786 or meggerding@eqt.com. Thank you.

Respectfully submitted,

Mountain Valley Pipeline, LLC
