Re: Mountain Valley Pipeline, LLC
Docket No. CP16-10-000
Responses to Data Requests issued January 27, 2017 and Supplemental Materials

Dear Ms. Bose:

On January 27, 2017, the Office of Energy Projects (“OEP”) of the Federal Energy Regulatory Commission (“Commission”) issued data requests to Mountain Valley Pipeline, LLC (“Mountain Valley”) with respect to Mountain Valley’s certificate application in Docket No. CP16-10-000. On various dates in February 2017, Mountain Valley submitted responses to the data requests. In this filing, Mountain Valley submits responses to outstanding requests. Mountain Valley previously provided executed verifications.

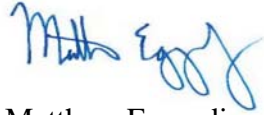

These data responses include public information and privileged information. The attachments that include privileged and confidential information are labeled “Contains Privileged Information – Do Not Release” or similar. Mountain Valley requests that, pursuant to 18 C.F.R. § 388.112, the Commission treat the privileged information as non-public. The person to be contacted regarding the request to treat these materials as non-public is Paul Diehl, (412) 395-5540 or pdiehl@eqt.com.

In addition, Mountain Valley submits herein a complete set of tables, figures, and appendices from the Draft Environmental Impact Statement (“DEIS”) that reflect updates to date. Mountain Valley designated the updates using a combination of strikeouts, underlines, and text color. For data responses that included updates to DEIS materials, Mountain Valley advises that the Commission should refer to the DEIS materials submitted with this filing.

If you have any questions, please do not hesitate to contact me at (412) 553-5786 or meggerding@eqt.com. Thank you.

Ms. Kimberly D. Bose
