Re: Mountain Valley Pipeline, LLC  
Docket No. CP16-10-000  
Variance Request Nos. G-1 and Bradshaw-1

Dear Ms. Bose:

On October 13, 2017, the Federal Energy Regulatory Commission issued an order granting a Certificate of Public Convenience and Necessity to Mountain Valley Pipeline, LLC.

In this filing, Mountain Valley requests two variances:

- Variance Request No. G-1: Add laydown yard LY-037; and
- Variance Request No. Bradshaw-1: 24-hour operations at the Bradshaw Compressor Station through May 31, 2018 to complete grading and site-preparation activities.

Detailed variance request forms and supporting documents are attached. Mountain Valley requests approval by March 22, 2018.

Certain of the supporting materials contain privileged and confidential information. Mountain Valley requests that, pursuant to 18 C.F.R. § 388.112, the Commission treat these materials as non-public. Mountain Valley has marked the documents "CUI//PRIV – DO NOT RELEASE". The person to be contacted regarding the request to treat these materials as non-public is Paul Diehl, (412) 395-5540 or [pdiehl@eqt.com](mailto:pdiehl@eqt.com).

Ms. Kimberly D. Bose
