**Route Changes Since October 2016**

October 2015 Proposed Route		October 2016 Proposed Route		Type of Change	Description of Change	New Landowners Affected
MP Start	MP End	MP Start	MP End			
195.7	196.2	196.7	197.2	Shift east up to 400 feet, shift to follow existing road	Route revisions within the Jefferson National Forest as requested by the United States Forest Service (USFS). Route shifted to the East up to about 400 feet to avoid one ephemeral stream and environmentally sensitive areas, and route adjusted to follow the existing access road, Mystery Ridge Road.	0
244.0	244.5	246.1	246.6	Shift south up to 900 feet	Route shift to address National Park Service (NPS) concerns at crossing of the Blue Ridge Parkway. Also avoids environmentally sensitive areas identified during 2016 field surveys on NPS lands.	0
