JT:

We have reviewed the information submitted for the abovementioned project to determine any effects it may have on cultural resources. As required by Section 106 of the National Historic Preservation Act of 1966, as amended, its implementing regulations, 36 CFR 800: "Protection of Historic Properties," we submit our comments. We have reviewed the information submitted for the aforementioned project to determine any effects it may have on cultural resources. As required by Section 106 of the National Historic Preservation Act of 1966, as amended, its implementing regulations, 36 CFR 800: "Protection of Historic Properties," we submit our comments.

We have reviewed the minor modification to the proposed Limits of Disturbance for laydown yard MVP-LY-052 and concur with your findings. We remain in concurrence with the determination provided in our March 1, 2018. The proposed laydown yard MVP-LY-052 will have no effect on historic properties.

We appreciate the opportunity to be of service. *If you have any questions regarding our comments or the Section 106 process please contact me or Mitchell K. Schafer, Architectural Historian, at your earliest convenience.*

Good Afternoon Lora

I am sending some supplemental information regarding a slight change in the Limits of Disturbance for proposed laydown yard MVP-LY-052. This minor change is still within the previously disturbed area as indicated in our original submission.

If you are in agreement that this minor change does not alter your determination of no effect could you please reply to this email indicating the WVDCH concurrence.

Thanks

JT
