Re: Mountain Valley Pipeline, LLC
Docket No. CP16-10-000
Confirmation of Notification

Dear Ms. Bose:

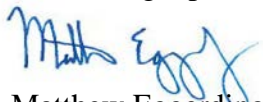

On October 13, 2017, the Federal Energy Regulatory Commission issued an order in this docket granting a Certificate of Public Convenience and Necessity to Mountain Valley Pipeline, LLC for the Mountain Valley Pipeline Project (“Certificate Order”). Ordering Paragraph (O) of the Certificate Order requires Mountain Valley to notify the Commission’s environmental staff of any environmental noncompliance identified by other federal, state, or local agencies and file written confirmation of such notification with the Commission.

Mountain Valley received a Notice of Violation from the West Virginia Department of Environmental Protection yesterday. Mountain Valley emailed a copy of the notice to the Commission’s environmental staff. This letter serves as written confirmation of such notification to Commission staff. Mountain Valley will include a copy of the notice and its response thereto in the applicable weekly reports.

If you have any questions, please do not hesitate to contact me at (412) 553-5786 or meggerding@eqt.com. Thank you.

Respectfully submitted,

MOUNTAIN VALLEY PIPELINE, LLC
by and through its operator,
