Dear Mr. McDade:

On behalf of Mountain Valley Pipeline, LLC, a joint venture between affiliates of EQT Midstream Partners, LP, NextEra Energy, Inc., Con Edison Midstream Gas, LLC, WGL Holdings, Inc., and RGC Midstream LLC, you will find enclosed one CD and two paper copies of MVP's errata pages for the following reports entitled:

Mountain Valley Pipeline Project, Phase I Archaeological Investigation, MVP Alternative 3 in National Park Service – Blue Ridge Parkway, Roanoke and Franklin Counties, Virginia, and

Mountain Valley Pipeline Project, Phase II Archaeological Evaluations, Sites BLRI00231 (44RN0383) and BLRI00233 (44FR0402) in National Park Service – Blue Ridge Parkway, Roanoke and Franklin Counties, Virginia.

These errata pages (addition of an appendix to each report containing resumes) respond to the Virginia Department of Historic Resources (State Historic Preservation Office) comments sent to the National Park Service (NPS) regarding MVP's reports of Phase I and Phase II archaeology performed in Blue Ridge Parkway (titles listed above). The comments were provided by NPS to MVP in August 2017. These errata pages will be filed with the Federal Energy Regulatory Commission, the lead federal agency overseeing the MVP Project.

You may contact me by telephone at (724) 873-3645 or by e-mail at mneylon@eqt.com if you have questions.

Thank you for your attention.

Sincerely,
